BUSY NEIGHBORS

by Katie Kelly

Higher education: it's breaking up that old gang in the Field Club neighborhood. **Christopher Gartin, Jordan Lacy** and **Steve Laird** have been pals, well -- their entire lives. Since graduating from high school, however, they have headed off in various directions. Christopher (son of **Randy** and **Debbie Gartin**) is a pre-med student at Baylor University in Waco, Texas. **Jordan** (son of **Pat** and **Susan Lacy**) is in South Bend, Indiana attending Notre Dame and is ditto pre-med. And **Steve** (son of **Bill** and **Susie Laird**) is in pre-law at Creighton with an emphasis on peace and social justice. Warning: the neighborhood should probably brace itself for a spirited reunion when the threesome arrive home for Thanksgiving.

Ben Deeb has been at it again. For the second year in a row he took first place in the High School Silent Film division at the Hot Shops Film Festival held in October. This year it was "Ame Isolee", about a young man getting over a lost romance. Last year was "Un Jour" which followed two strangers with parallel lives whose paths cross at the end of the movie. And next year: **Ben** (son of **Tony** and **Claudia Deeb**) plans to head a for college with a cinematography program so he can major in screenwriting and directing and oh, yes -- maybe a little political science thrown in the mix.

Field Club Holiday Traditions

December is just a few weeks away. That means it's time to mark your calendars for two Field Club traditions.

The annual **Field Club Family Holiday Party** is scheduled for Sunday, December 5 from 1:00 - 3:30 pm at the Gerald R. Ford Conservation Center. Plan to spend an afternoon listening to carolers, enjoying holiday snacks and visiting with neighbors. The holiday party also marks the beginning of the 2005 Field Club Homeowners League membership drive. Dues can be paid at the party, or to Susy Westerholm anytime after that date.

This year's **Luminary Night** is Sunday, December 19. Candles and bags may be purchased for \$3.00 per dozen at the holiday party, or anytime after the party from Susy Westerholm at 3540 Pine St.
