*The Newsletter of the Field
Club Homeowners League*

From the President...

As I begin my term as president of the Field Club Home Owners League, I am appreciating the work done by the Board and members over the years to preserve and develop the neighborhood we enjoy today. First, a big thank you to my immediate predecessor, Laurie Ortman, for all of her work this past year. Her commitment of time, energy, and concern for the neighborhood is a great example. Looking further back in time, I hope everyone in the neighborhood appreciates the work done by our predecessors beginning in the 1950's to reverse trends that certainly might have destroyed a beautiful locale.

The Field Club Home Owners League was founded to safeguard the value of the real estate owned by members and to insure the observance of zoning ordinances in the neighborhood area. Over the years the League has sponsored many activities to advance these goals and I believe the goals are as important today as they were in the early years of the organization. Please keep our group in mind when you have concerns or suggestions about the neighborhood. I hope you will contact me or any board members with issues you feel are important and also that each of you will look for ways to become more involved in the neighborhood, continuing a great history of neighborhood activities.

New Officers and Committees For the Field Club Homeowners League

The first meeting of the newly elected board was held on Wednesday, May 10. The board elected new officers and assigned new committee chairs. As always, the committee chairs seek help from neighbors to sponsor all the activities of the Homeowners League. Please call the chair to volunteer your time!
