Club Homeowners League*

From the President...

From The President...

My family moved into the Field Club neighborhood when I was in the fifth grade. That is more years ago than I care to admit. I moved away from Omaha for a while but when I returned, I purchased a home in Field Club. It just felt right to be back in the neighborhood where so many happy memories were made.

Because of the hard work and commitment of past neighborhood leaders, Field Club remains strong today. As the new president of the Field Club Homeowners League, my goal is to work toward maintaining the strength of our neighborhood as the midtown area continues to experience revitalization and growth. These are exciting times.

A special word of thanks goes to my predecessor, Tim Higgins. His leadership this past year is yet another example of why this neighborhood continues to thrive. I would also like to thank Mike, Bednarz for his support and dedication while serving as vice-president. Throughout the year, you can find Mike and his wife Laura mowing and caring for the east island on Woolworth. Their efforts are appreciated.

There are many activities planned for the remainder of the summer. I encourage you to participate and also consider volunteering your time or talent. It is through your involvement that our neighborhood will remain one that continues to be desired by many.

An opportunity to renew your membership into the Home Owners League will be made available at the 4th of July Parade.

Happy Summer!

Liz Hanlon
