From the President...

Dear Neighbors,

These past few weeks have been yet another reminder of why Field Club is such a great place to live...

Volunteers from all over the neighborhood came together to put on a fantastic 4th of July Parade. Each year, I am amazed at the creativity of the parade entrants. This year was no exception. I hope you had an opportunity to see the "American Idle" entry. Mistrs Fahey, Costello, and Lampe proved idleness does pay as they were given the "Laziest Award." Thanks to Dave Fortina for coordinating this year's parade. We also had a number of distinguished judges: Jerry Meyer, Principal of Field Club School, Tim Gue, the best mailman in Omaha, Mary Blankenship, owner of Lillian's Flowers on Leavenworth, Mike Hale, assistant coach at Field Club pool, Bobbie Rawley, Instructional Facilitator at Field Club School, and Jim Flowers, Channel 6 meteorologist.

Hy-Vee on Center Street was especially generous with donations for the parade. If you see Tarci, (manager of the store), please tell her "thank you."

On July 5th, Destination Midtown held a block party at the Field Club School. This was the second year of the event and the first time in our neighborhood. It was a great opportunity to meet vendors from around the area and visit with your neighbors. The fireworks display that evening was spectacular!

Ed Quinn and Annika Phillips are to be congratulated for a successful home and garden tour. The money raised from this event will be used toward the historical lighting for our neighborhood. A special thanks to the homeowners who opened their homes for the tour. Also, without all of the volunteers, the day would not have been possible. The antique cars parked along the boulevard added to the festivity of the day. Carl Miller and Walter Bircher, two of our own, provided guitar and violin music for those touring the gardens. Thank you gentlemen.

Keep the following dates open:

Friday, August 17th will be the neighborhood pool party at Field Club pool from 5pm-9pm

Wednesday, October 10th will be a general meeting for all neighbors at the Field Club clubhouse. Watch future newsletters for more details

Destination Midtown Appoints New Director

Congratulations to Jamie Grayson, who was recently appointed as Destination Midtown's new Executive Director. Jamie received a great introduction to the Field Club when she attended the Home Tour on July 14. We look forward to working with her.

Home Tour a Great Success

July 14 dawned sunny and warm and it was a great day for the home tour. Eight homes and three gardens were on this year's tour. Ollie the Trolley helped guests "beat the heat" as they went from home to home. Lunch was served by the church and guests enjoyed many antique cars on the median. 312 guests purchased tickets and visited the homes in our neighborhood. All proceeds will go to support the historic lighting project.

Assistance League of Omaha Home Tour

Did you enjoy the Field Club Homeowners home tour? Then you will enjoy the Assistance League of Omaha's Christmas Caravan.

The Assistance League of Omaha, a non-profit, volunteer organization, will hold the 33rd. Annual Christmas Caravan, in historic midtown Omaha, on Thursday, November 8, 2007. Four private homes, decorated for the holidays by local area florists, will be open for tour with the pre-purchase of a \$12.00 ticket or \$15.00 at the door. This will be a great chance to visit homes on the National Registry of Historic Places.
