From the President...

Dear Neighbors:

I hope each of you is having a safe and happy summer, able to enjoy the weather and outdoor activities unique to this time of year. The last two months have been incredibly busy for your neighborhood board. We had a successful Home Tour, Golf Outing and 4th of July Parade. I would like to take this opportunity to thank our neighbors who opened their homes for the tour; this event would not be possible without your cooperation. To all of those who volunteered during the tour by selling tickets, policing the tour homes and all other support, including home tour attendees, thank you. Thank you to the members of the Golf Outing committee for your hard work and persistence in seeking hole sponsors and prizes for participants. Please consider supporting those who contributed to the event as hole sponsors. A list of sponsors has been included in the newsletter.

Finally, the 4th of July Parade brought many neighbors together for a misty Saturday morning. Over 49 parade entrants participated. Despite the weather, neighbors decorated the outside of their homes to celebrate the Red, White and Blue. Hy-Vee donated hot dogs, chips, drinks and Dave Jenkins with Midwest Photo Pro volunteered to take photos of entrants free of charge. Omaha Fire Dept was on site to provide an up-close look at an engine and Westminster Church allowed the use of tables and chairs. Thank you to all of the neighbors who make this event what it is- a fun outing celebrating our nation's independence. I hope you all enjoyed the great success of the day and perhaps even saw the photos that appeared in the Omaha World Herald capturing the spirit of both the event and our great neighborhood.

The events of our neighborhood are not possible without the continued support of volunteers, both veteran and new. Though our neighborhood is small, we put together a wide range of events and activities that can be enjoyed by young and old alike. Those of us on the Homeowner's Board work hard to volunteer our time and talent to keep up the tradition of Field Club Neighborhood events, but we can not do this alone. We do have veteran board members who will be leaving their post at the next election and are in need of neighbors to take up the torch more than ever. Please, if you have considered participating but haven't been sure when to take the step forward, now is the time! I encourage you to attend our monthly meeting, just contact myself or another member of the board; we would love to see you. If you are interested in becoming more involved in another way, we are in constant need of volunteers to help with our neighborhood events, something as simple as volunteering an hour or two of your time is tremendously helpful. Let us know if you are interested!

Jill
